

DHRTC Technology Conference 2017 - Comwell, Kolding

14 November

11:00 - 11:30 Welcome

Kick-off of the Radical Innovation Concept and Commercialization Strategy

11:30 - 12:30 Plenum Speaker, Mark Bentley, Geoscientist, AGR TRACS International Ltd

12:30 - 13:30 Lunch

13:30 - 14:45 Parallel Sessions

1. EOR (incl. RJD, core flooding, fluid chemistry)	2. Maintenance (e.g. corrosion/ scaling, OPEX/CAPEX optimization)
--	--

14:45 - 15:15 Break

15:15 - 16:15 Parallel Sessions

1. EOR (incl. RJD, core flooding, fluid chemistry)	2. Maintenance (e.g. corrosion/ scaling, OPEX/CAPEX optimization)
--	--

16:15 - 16:30 Break

16:30 - 17:30 Plenum Speaker, Cost Transformation (CTR)

17:30 - 19:30 Poster Session

19:30 - Dinner

15 November

09:00 - 10:15 Parallel Sessions

3. Reservoir characterisation (e.g. including TRD, geomechanics, 4D seismic)	4. Integrity and Reliability (incl. structures and wells)
---	---

10:15 - 10:45 Break

10:45 - 11:45 Parallel Sessions

3. Reservoir characterisation (e.g. including TRD, geomechanics, 4D seismic)	4. Integrity and Reliability (incl. structures and wells)
---	---

11:45 - 12:45 Lunch

12:45 - 14:00 Parallel Sessions

5. Reservoir modelling/simulation	6. Topside processes (e.g. control schemes, water treatment, data analytics, risk analysis)
-----------------------------------	---

14:00 - 14:30 Break

14:30 - 15:30 Parallel Sessions

5. Reservoir modelling/simulation	6. Topside processes (e.g. control schemes, water treatment, data analytics, risk analysis)
-----------------------------------	---

15:30 - 16:00 Wrap up
